Date of effect:	1 st May 2024
Details:	Request for Approval to Conduct Hot Work on Vessels at Geraldton Port - Anchorages
Former Notice:	Nil
Charts & Publications:	AUS 81
Attachments:	MWPA - Request for Approval to Conduct Hot Work on Vessels at Geraldton Port - Anchorages

Mariners are advised that effective 1st May 2024, any vessels which intend to carry out Hot Work while at the Port of Geraldton Anchorages, must complete and submit the attached “Request for Approval to Conduct Hot Work on Vessels at Geraldton Port Anchorages” form.

This approval must be submitted to the Port Authority no less than 4 working days prior to commencement of the Hot Work.

No vessel is permitted to commence any kind of Hot Work onboard, until a written approval has been received from the Port Authority.

Completed Application form must be sent to shipping@midwestports.com.au and wharfsupervisors@midwestports.com.au and permits@midwestports.com.au

Any questions or feedback regarding this Harbour Master Instruction should be addressed to the Mid West Port Authority Marine Team.

Heathcliff Pimento
